

# BREED & DISCIPLINE DEMONSTRATIONS

To showcase the diversity of the horse, there will be Breed and Discipline demonstrations each day of the expo. Exhibitors who would like to present their breed or their horse's talents may submit their horse for consideration to be presented in the demonstrations.

1. Demonstrations will be limited to ten horses in each category
2. Horse must be owned or managed by an exhibitor of the WVHE.
3. There is no fee to enter your horse into the demonstrations. However, exhibitor must pay stabling fee.
4. Applications must be submitted with photographs and/or video of the horse.
5. Photo/video may be submitted electronically with a faxed copy of completed application.
6. Please do not submit original materials unless accompanied by self addressed stamped envelope.
7. Notification of selected horses will be sent out by March 1, 2010
8. Horses may be submitted for consideration in both categories but will only be chosen for one demonstration category (i.e. Your Quarter Horse reining horse may be passed over for the breed demonstration, due to the number of breed representatives submitted, but selected for the discipline demonstration).
9. If your horse is selected, we will need a short paragraph on the history of the breed/discipline and your horse
